PRE-K CLASSROOM
NEWSLETTER

Dear Parents,

I would like to thank you all for helping us make this school year a success and a memorable one. Thank you for sharing your pride and joy with me. It was a pleasure and joy to have your child in my class this school year. I have enjoyed the hugs, love, tears, laughter, and learning that we all have shared together. I will truly miss each one of them. I will forever be grateful to have been a part of their journey. We had a strong finish. They have worked hard to overcome all the challenges. Now, they are ready to conquer Junior Kindergarten.

I have put together some pictures of our wonderful memories together. Grab some tissues and enjoy.

Love,

Ms. Marisa
