Welcome Back to School

Issue No.1 | April 8, 2024

Hello Hayama International School families!

As we begin on the academic year 2024-2025, we're glad to welcome our students back to a year full of learning, fun, and growth.

Featured articles

Classroom Updates:

- Our A1 classroom has been buzzing with excitement as students engage in creative arts, practice writing letters, and learn classroom essentials and procedures.
- We're focusing on developing fine motor skills through building blocks, tracing lines and curves, and ensuring our students have a strong pencil grip.

Important Reminders for Parents:

- Please ensure your child brings their water bottle, blue folder with the temperature chart, and lunch to school every day.
- The Daily Take Home Folder (blue folder) should be checked nightly for handouts and notes, and returned to school each day with the temperature chart inside.

Note from the Classroom Teacher

"I'm looking forward to a great year of learning together. If you have any questions or concerns, kindly let us know via email. Let's make this year a great success!"

Thank you as always!

Best regards,

*Arlene D. Tangcangco-Dochi
Classroom Teacher*
