

B2 CLASSROOM NEWSLETTER

April 16, 2024

DEAR PARENTS,

I'm thrilled to share some highlights from our first two weeks together! We've been busy bees, buzzing around and settling into our classroom routine. Your child has been a superstar!

In addition to mastering our daily rhythm, we've had a blast exploring the letter "M" for "All About Me" and "F" for Family through exciting crafts. We also talked about the number 1. Watching your child's creativity bloom has been a joy!

Here's to many more weeks of laughter, learning, and adventures together!

Warm regards,
Miss Nikki
