

April Pre-Kinder B-5 Newsletter

April

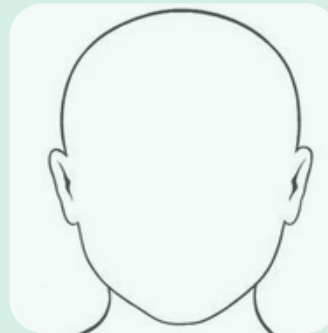

Start of the Year

We have begun the first week of our school year for 2024-2025. I would like to give a warm welcome to everyone attending Hayam this year and appreciation for allowing me to teach your child this year. With the journey ahead of us this year as we continue to grow, learn and gain new experiences, we will continue to flourish within this fun learning environment. With the support and dedication from our parents/guardian's of the school, we can help support and develop the children's learning success and help fill them with academic confidence for them to flourish in their personalities and academics this year. I extend my deepest gratitude for the trust and commitment given.

Sincerely,
Ms. Heaven
