Reminders

- ✓ Please label all of your child's belongings especially uniforms.
- ✓ We are accepting applications for Summer School 2024. For more information, please visit the website.

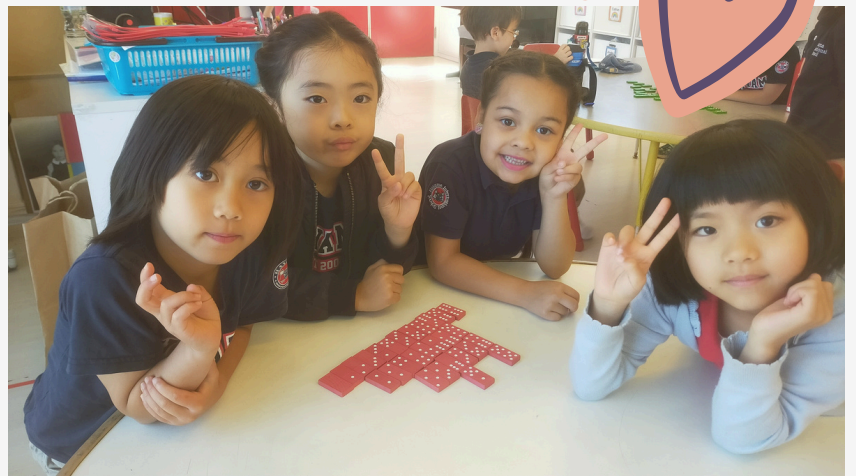

Math

We used dominoes to practice single digit addition.

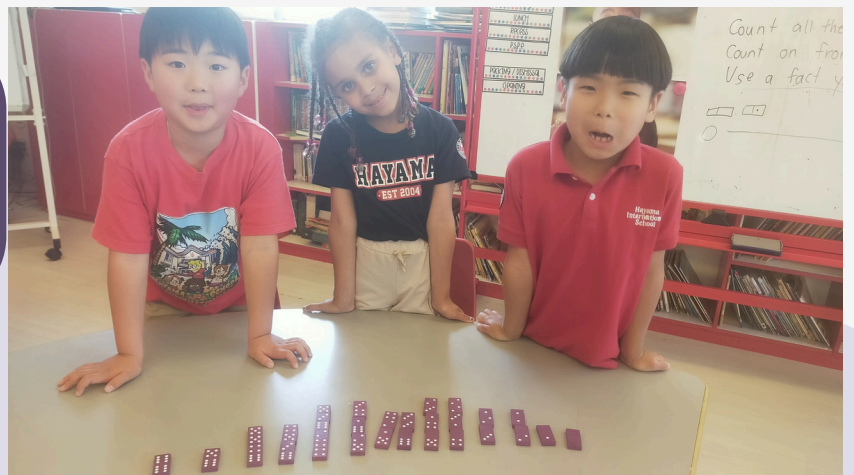

We also modeled numbers to hundreds using the base 10 place value system.

We read, wrote, compared and ordered cardinal numbers.

We read and wrote whole numbers up to hundreds or beyond.

well done!

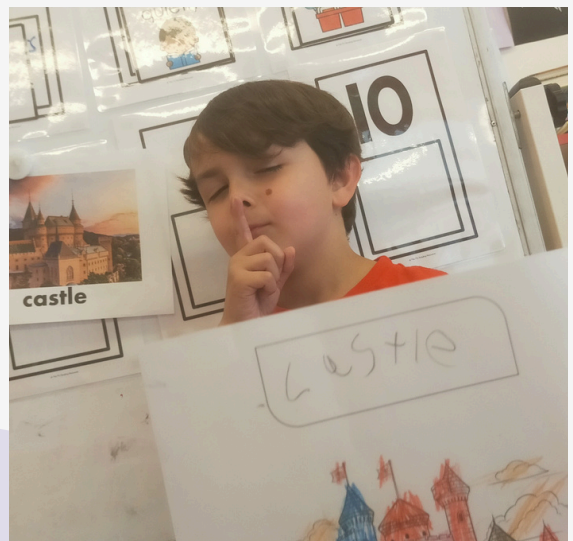

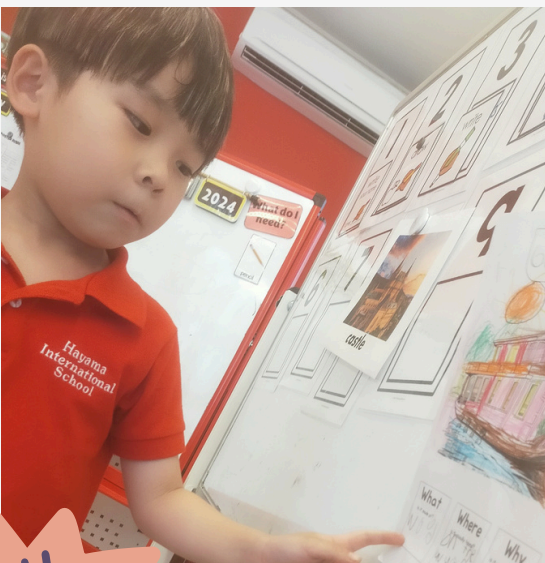

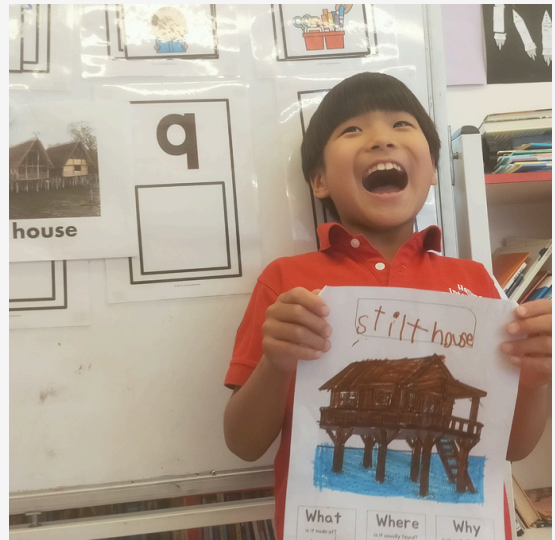

Unit of Inquiry

Central Idea:

Our environment influences how we live.

Lines of Inquiry:

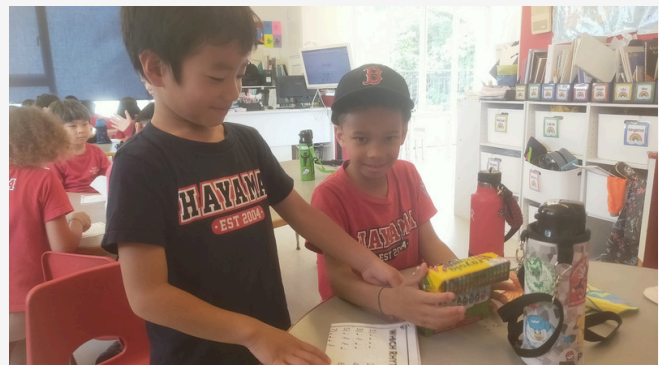

1. Types of homes around the world
2. Ways homes meet our needs and wants
3. Similarities and differences in homes around the world

well done!

Music

We learned about rhythm. We clapped along rhythm videos and composed a four-beat rhythm.

well done!
