It is hot outside: Please make sure students have hats, water bottles, and icepacks in their lunches., and icepacks in their lunches.

No sugary snacks in the students lunches

Learning and Review

- Students have reviewed letters A-H, learned the letter I and J. Along with the letters sounds and new vocabulary words.
- Students have been learning numbers 1-10, along with the amounts.
- Students have also been learning the different shapes as well. From square, rectangle, circle, oval, trapezoid, octagon, triangle, hexagon, diamond, and pentagon.

Hot weather is here! Of course we all are ready to get vacation on Summer Holiday! There are plenty activities and places that we want to do right? It's your time to refresh your mind and body.
