Student's Progress

Alphabets

We reviewed letters I to L as well as the sounds and practice tracing upper case and lower case. Students learned the letter M and N as long as the sound and new vocabulary words.

Additional we learn about transportation and made an art craft community helper

Shapes

We been practicing shape trace and reviewing the names. triangle, circle, oval, square, rectangle, octagon, trapezoid pentagon, and hexagon.

Numbers

We have reviewing number 1 to12 with tracing and counting.

It is still hot outside. Please make sure students have hats, water bottles and icepack in their lunchbox.

Upcoming

September 23th
Substitute Holiday
(No School)
