October is here!

Events

Halloween Party set up (10/25) Friday
Halloween Party! (10/26) Saturday

Language Arts

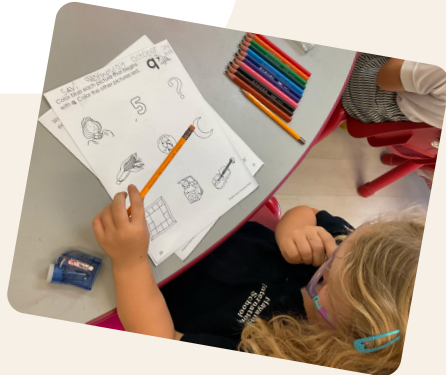

What are we doing?

Alphabet Review: Sound and letter recognition, rhyming words.

Mindfulness Journal: Understanding your learning process, self-reflection, and acceptance.

Reading to our class.

UOI/Science

How the World Works: Motion and Force, how does a catapult work? How does the structure affect the motion? How can we achieve more motion through structural technology?

Arts

What are we doing?

Visual Arts: Class room decoration/hallway photospot. Poster design using shapes.

Music: End of the year show song, group choir with ukelele.

Dance: Halloween Dance/end of the year dance.

Math

What are we doing?

Bridges: Combinations, patterns, shapes, writing equations in words and verbalizing math

Learning Fair Visit

The first graders invited the senior kindergarten classes to help them practice presenting their Learning Fair materials. We learned about animals through engaging presentations, fun games, and quizzes!
