

# Classroom Newsletter

B1 Class - Preschool

## Message Board

Hello Families,

It's hard to believe October is already here! The past few weeks have been full of excitement in our classroom. The children are becoming more confident and curious each day. It's been wonderful to watch them explore new concepts and participate in hands-on activities together.

This month, we've introduced exciting new themes and lessons, from learning about community helpers to practicing letter recognition and counting skills.

We're also thrilled to welcome **Karin**, our newest classmate! The children have been excited to make a new friend, and we look forward to having her as part of our learning journey.

I'm excited for the fun and meaningful experiences ahead as we continue through the month. Thank you for your continued support!  
Warmly,  
Ms. May

Welcome to our class!

## What we learned!

### Community helpers

We've had fun discovering what roles many of our parents play in keeping us safe, healthy, and happy.

### Literacy

- Letter recognition "B", "P" and "N"

### Numeracy

- Counting up to and recognizing number "5"

## Upcoming Theme!

### Numeracy

- Counting up to and recognizing number 6

### Literacy

- Letter recognition "L", "V" and "W"
- Letter review "B", "P" and "N"
