

# B2 CLASSROOM NEWSLETTER

October 17, 2024

## DEAR PARENTS,

Fall is Here! As the crisp air settles in, don't forget to pack a cozy jacket for your child to keep them warm during our outdoor adventures!

This month, we've dived into our enchanting Fall Changes theme with some delightful activities:

- **Alphabet Craft:** The B2 class had a blast creating colorful crafts for the letter L (for Leaf), celebrating the vibrant hues of autumn!
- **Social Studies:** We're exploring the magic of fall and how the cooler weather brings about exciting changes in nature and our community.
- **Counting Fun:** We are having fun counting to 6 through energetic songs and engaging games.

Thank you for your ongoing support as we explore the wonders of this season together!

Warm regards,  
Ms. Nikki 🍁
