Dear Parents and Guardians,
I hope you are all having a wonderful fall day! Everyone had a great time yesterday visiting Tsukuihama Tourist Farm and picking and eating oranges yesterday!

Math

Students have been building up their addition skills and have started working on practicing addition using number lines!

UOI

Last week we worked on learning and recognizing emotions in ourselves and in others. This week we are focusing on body movement and are having fun playing different games that have us all on the move!

Language Arts

Students have been working hard on reviewing and learning phonics for letters V, W, and X!
