Dear Parents and Guardians,

Thank you so much for all of your support to make the Holiday Party a wonderful success! The students were so excited to show you their dance they had been practicing so hard on and were so happy to see you there!

## Math

Students have been working on subtraction these last two weeks and are steadily improving their understanding of it.

## UOI

The first week, we worked on Dress Up and Role Play by choosing a store they wanted to do and making items to sell, creating their own wallets and taking turns being the customer and vendor. We also worked on Sensory Play this week by making Holiday Cards with paint and shaving cream!

# Language Arts

Students worked very hard at learning the ~at Family CVC words!
