# WHAT WE HAVE THIS TERM!

## In our bucket!

In our first term of the school year, we have an exciting journey ahead! We will learn, explore, and discover so many wonderful things. Together, we will focus on knowing and appreciating who we are, respecting our differences, and celebrating each person's unique qualities.

Our aim is to nurture curiosity and foster a love for learning. Through engaging activities, playful exploration, and meaningful interactions, we will develop important skills in literacy, numeracy, and social-emotional growth. Our goal is to create a warm and nurturing environment where every child feels safe, valued, and inspired to express themselves fully.
