

A4 CLASSROOM Newsletter

04.11.2025

Dear Parents and Guardians,

Welcome to A4!

I am so excited to welcome you all to our Junior Kindergarten class as we are in for an exciting year ahead!

As previously mentioned, my name is Alyssa and I will be your students teacher this year!

My goal in our class is for students to have fun while learning, to grow into confident individuals who are always trying their best, and become lifelong learners through their experiences this year! I hope we can work together this year to create a wonderful learning experience for your child. If you ever have any questions or concerns, please contact me at any time! I look forward to getting to know you all at Orientation next week!

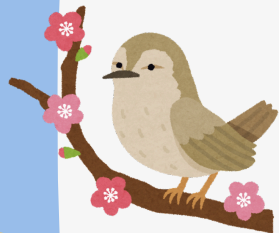

Our start to the year

We began the year off by recognizing the signs for spring and the different plants, bugs, or animals we might see during this time. We also talked about the 5 senses we have and what we can recognize as signs of spring with them

Emotions and Expressions

Throughout the week, we learned to about different emotions we might feel or experience such as Happy, Sad, Mad, Scared, and Silly. By learning about these emotions, students also thought about when they may have personally experienced such feelings and how it made them feel inside. Students also worked on recognizing these emotions through facial expressions.

Important Dates

- Wednesday, April 16th
13:15pm - JK Orientation
- Tuesday, April 29th -
Showa Day, NO
SCHOOL!
