

APRIL NEWS @ A5

welcome to Class A5!

For the better persons we will become...
we are counting on your support and care.

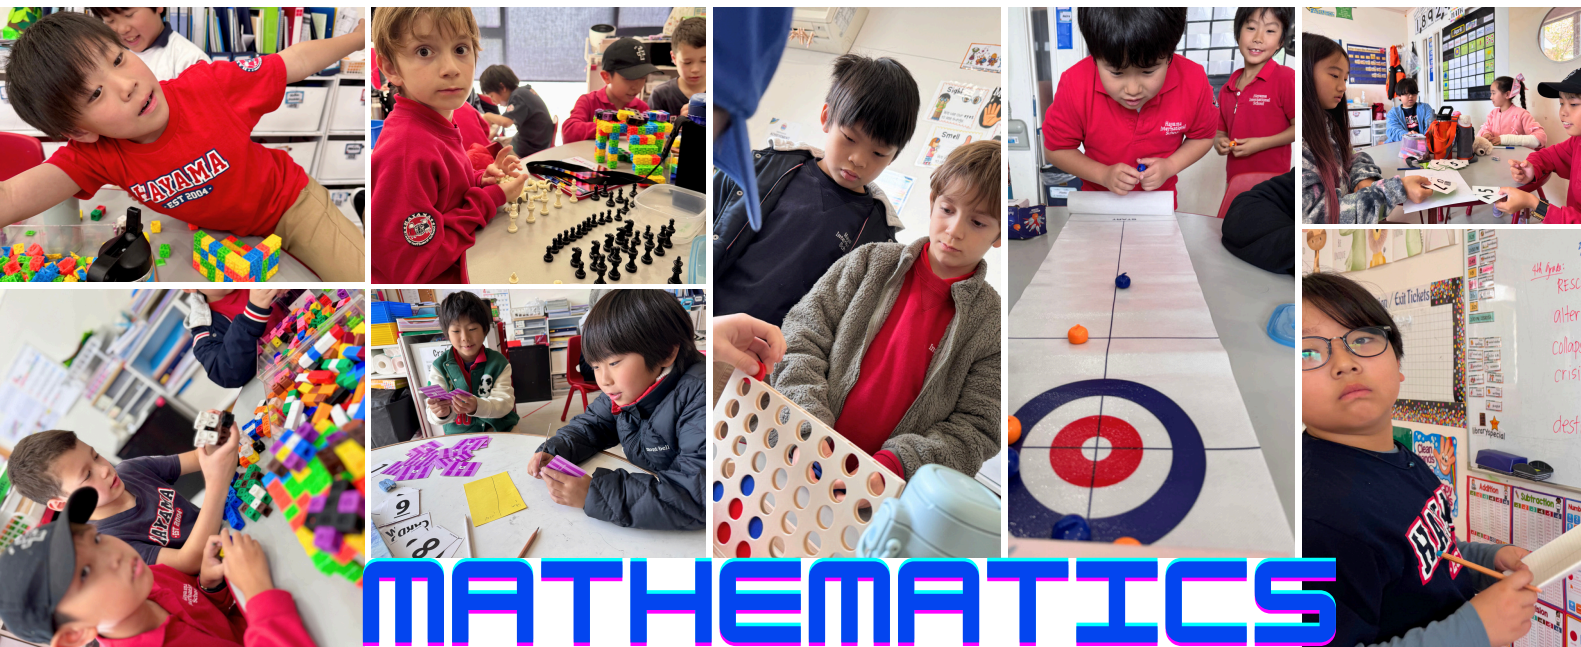

... & Spring term 2025-26

LANGUAGE ARTS

We have started navigating the exciting world of WONDERS (English Language Arts, ELA curriculum), which also features links to Science and Social Studies.

MATHEMATICS

The BRIDGES Math Curriculum looks very serious and challenging, but it is actually a fun practical experience in Math filled with games and workplaces!

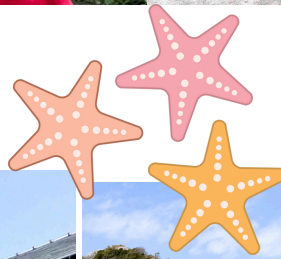

SCIENCE / STEAM

"I can think and work like a scientist!" That is our mantra whenever we want to accomplish our Science/STEAM projects. It is also a valuable lesson on teamwork.
