THE FIRST AND SECOND WEEK OF SCHOOL BEGAN WITH BRIGHT, SMILING FACES FROM THE CHILDREN! MOST OF THEM HAVE SETTLED IN NICELY AND ARE ENJOYING THEIR TIME AT SCHOOL. THEY ARE GETTING TO KNOW NEW FRIENDS AND FINDING JOY IN RECONNECTING WITH FAMILIAR FACES! WE SLOWLY TRYING TO PROCESS THE ROUTINE FOR PRE-K LIKE GOING TO THE PARK, CLASSROOM ROUTINE, TIME MANAGEMENT AND ACADEMIC SKILLS. EVERYONE IS GETTING THE HANG OF THE EVERYDAY ROUTINE.

LANGUAGE ARTS

WE WORKED ON IDENTIFYING LETTERS IN WORDS AND LEARNING WORDS BEGINNING WITH THE LETTERS AA, AND BB.

EXPERIENCE THE FUN OF LEARNING AS WE ARE TRYING THE STUDENTS TO ENGAGE IN AN EXCITING EDUCATIONAL SONG AND REPEATING PRACTICE WITH THE TEACHER TO HELP THEM MEMORIZE VOCABULARY WORDS.

NEXT, WE PLAN TO ENGAGE THEM IN EXCITING AND INTERACTIVE CLASSROOM ACTIVITIES TO MAKE THE CHILDREN INTERACT MORE AND PRACTICE THEIR LANGUAGE SKILLS.

NUMBERS

WE EXPLORED NUMBERS 1 THROUGH 10 TOGETHER BY COUNTING. THE KIDS START THEIR WRITING PRACTICE WITH NUMBER ONE AND NUMBER TWO.

IN ADDITION, WE ALSO LISTEN TO SONGS TO HELP THEM LEARN THE MONTHS OF THE YEAR, COLORS, ALPHABET CHANT, AND PHONICS SONGS.

It's going to be hot outside, so let's make sure the students have their water bottles with straps, and ice packs in their lunchboxes to stay cool.
