HELLO EVERYONE,

IT HAS BEEN THREE WEEKS SINCE THE FIRST DAY OF KINDERGARTEN, AND I'M PLEASED TO REPORT THAT THE KIDS ARE THRIVING. THEY ARE ADAPTING WELL TO THE CLASSROOM ROUTINE AND ACTIVELY ENGAGING IN DAILY PHONICS PRACTICE. THE RELATIONSHIPS THEY ARE BUILDING WITH ONE ANOTHER ARE WONDERFUL TO SEE. ALTHOUGH THERE MAY BE CHALLENGES ALONG THE WAY, THEIR GROWTH IN SELF-CONFIDENCE AND INDEPENDENCE IS IMPRESSIVE, AND I AM CONFIDENT THEY WILL CONTINUE TO PROGRESS EACH DAY.

We have made progress using line practice worksheets that include the names of different lines. This helps students practice tracing and prepares them to draw shapes accurately in the future.

It's going to be hot outside, so let's make sure the students have their water bottles with straps, and ice packs in their lunchboxes to stay cool.
