Important Dates

May 18th - Alohayama

May 19th - School Holiday

Mothers Day

To all the mothers who make every day beautiful. Thank you for all that you do.

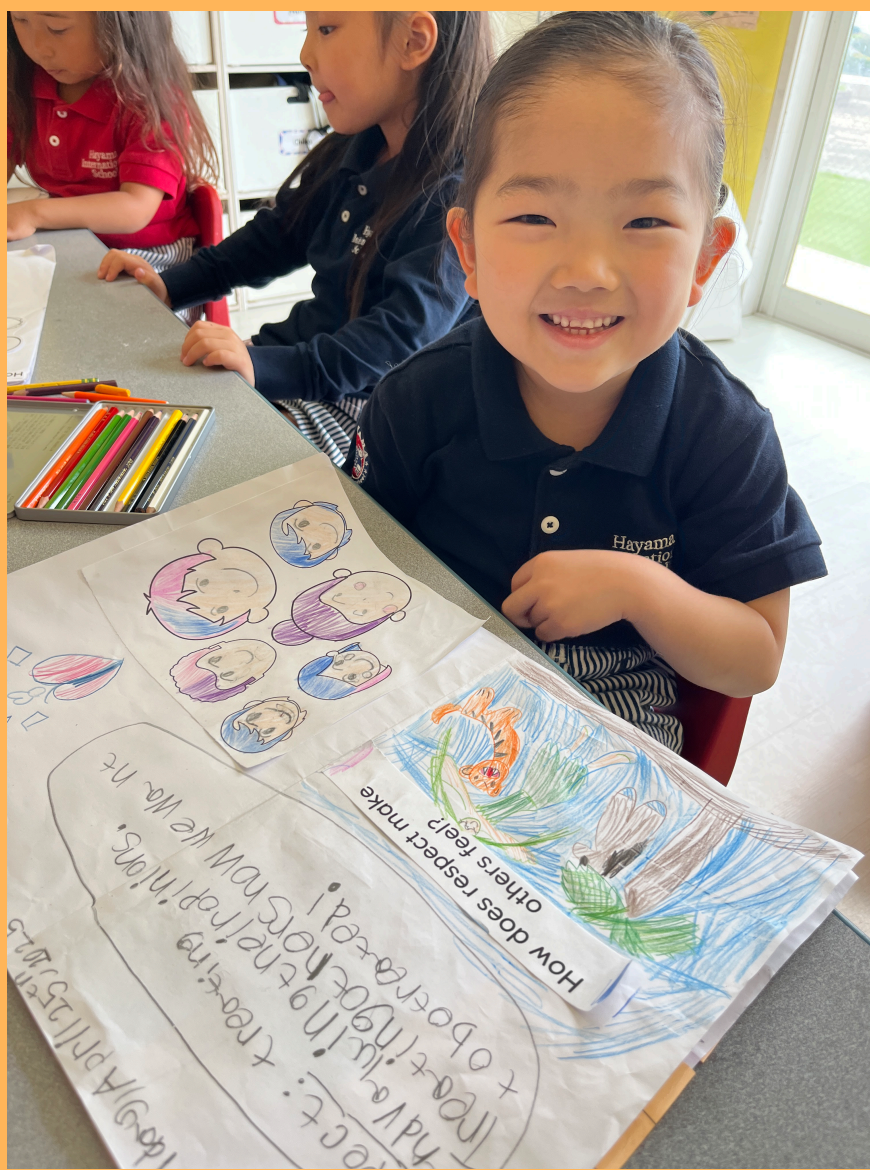

Birthday

Happy 6th birthday Noah <3

Unit 1: Expressing Ideas and Emotions

Talking about respect and how we treat each other, and how we maintain healthy relationships. Discussions on our own experiences, opinions, and goals. While exploring the definitions to these difficult yet important words.

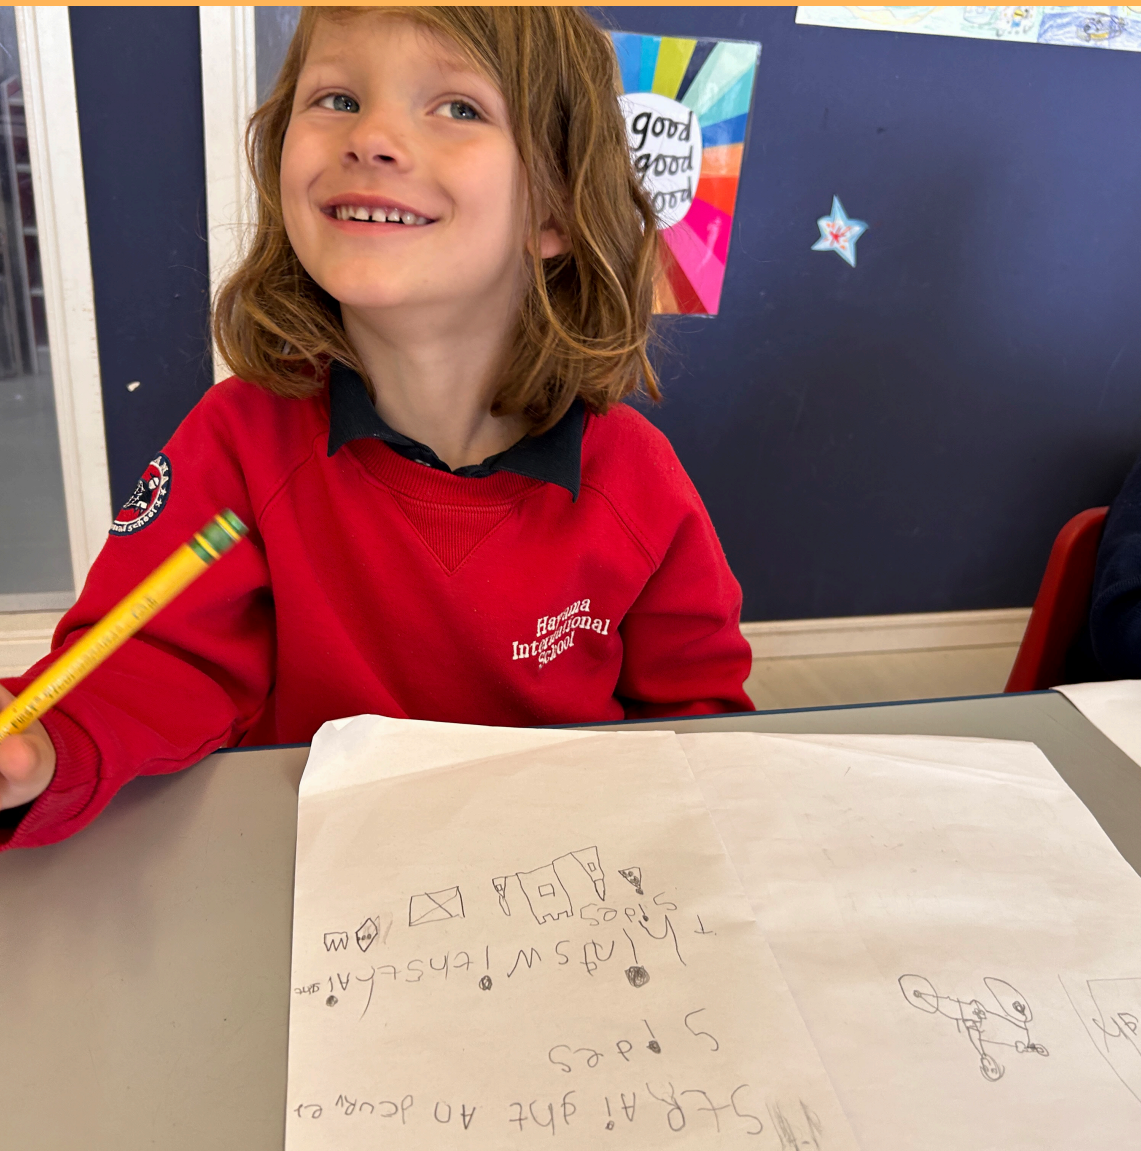

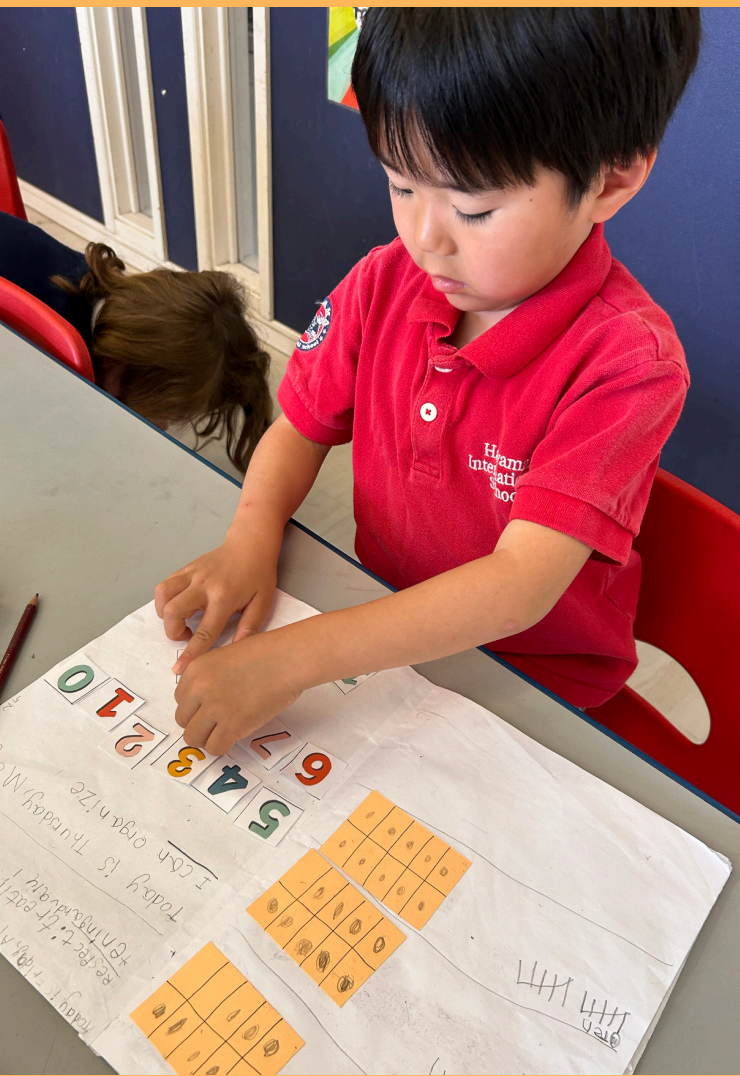

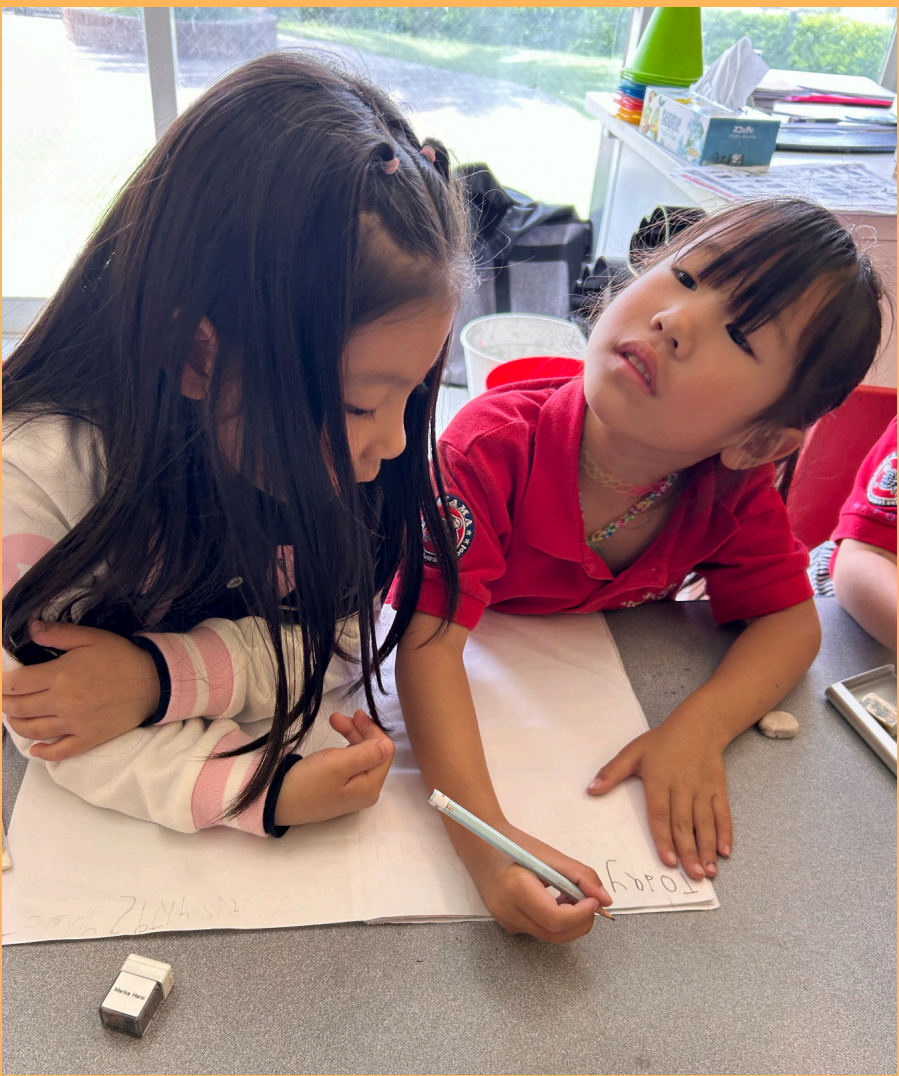

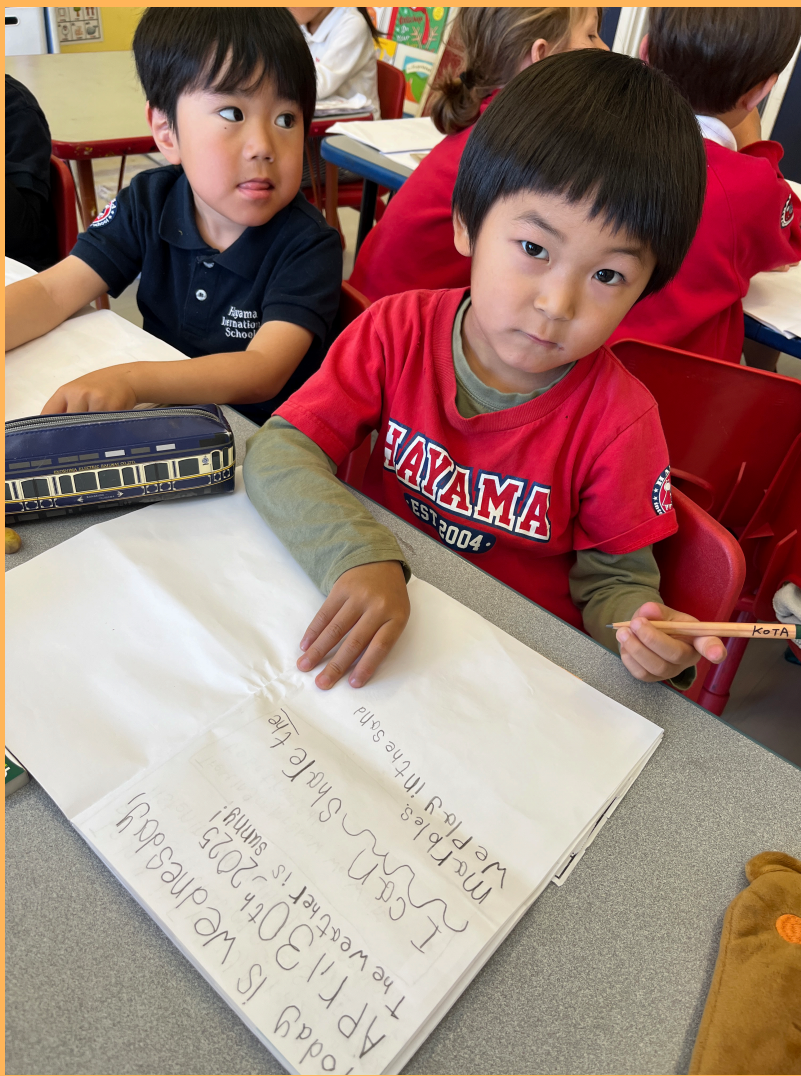

Math: Bridges

Curved and Straight Edges
Where can we find them?
Did you notice that most things in nature are naturally curved?

Visualizing Numbers
We can explore numbers through tally marks, dots, spelling them out, and writing numerals.

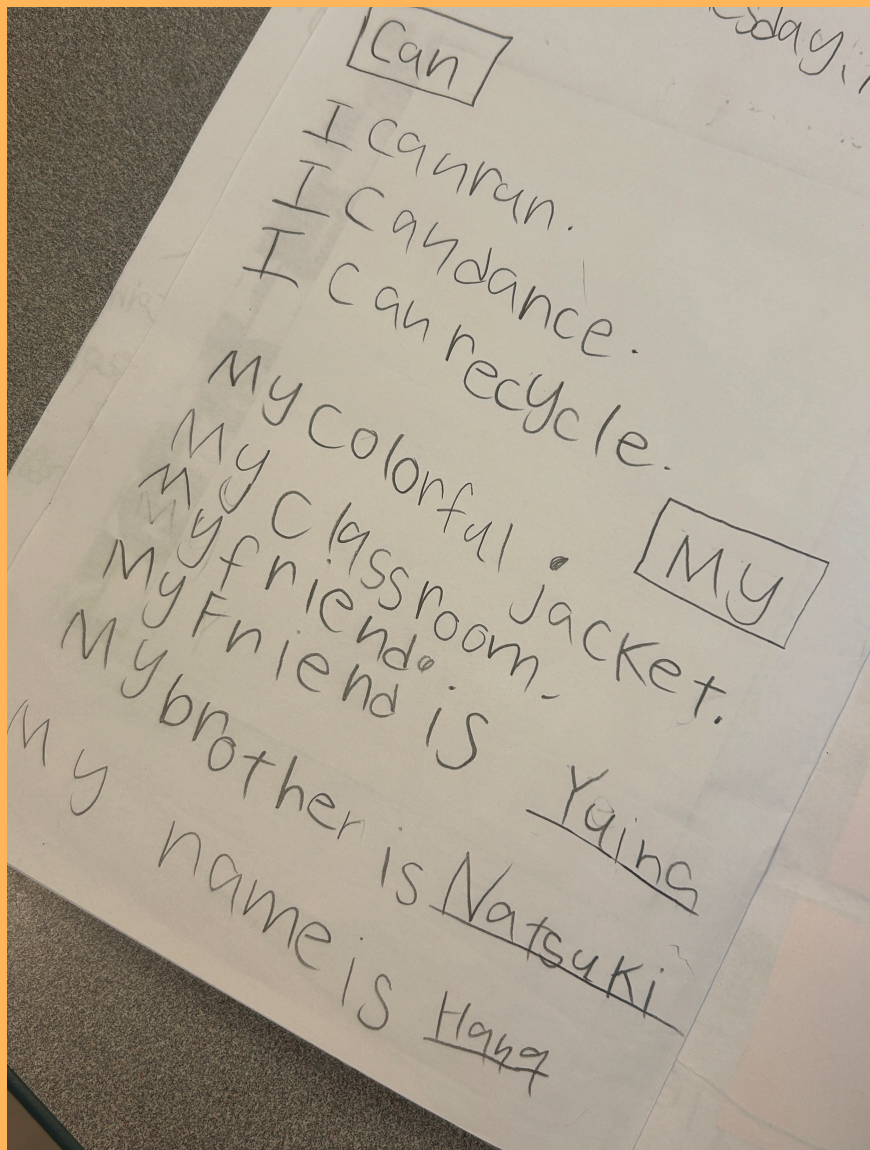

Estimating and Educated Guesses
Let's practice making reasonable estimates and giving educated guesses based on what we observe.

Language Arts: Wonders

Action verbs - making small sentences with them and practicing how to personalize them.

How can we express ourselves and the unique relationships we have through language?
Using "I can" sentences.

PSPE

Preparing for Sports Day, learning new games and building strategy.

Art & Design

A Collaborative Project
Our whole Kindergarten team is working together on a surprise piece that will be displayed at Alohayama!

Our Strategies

Partnering Up
Support your partner during class assignments.
How can you use your strengths to help your teammate?

Using Our Own Work as a Tool
Not sure how to spell “eight”?
No worries – the answer is in the book you made yourself!
Use your past work to help you navigate new tasks.

Music

Morning Relaxation
We sing, dance, and build stage confidence by performing together as a group.
