

# MAY News @ A5

## Reflection / Exit Tickets

# Earth Day

# LANGUAGE ARTS

Learning Stations help us a lot in keeping our interest in learning the English language and literature, with the variety of tasks and activities the system offers.

# MATHEMATICS

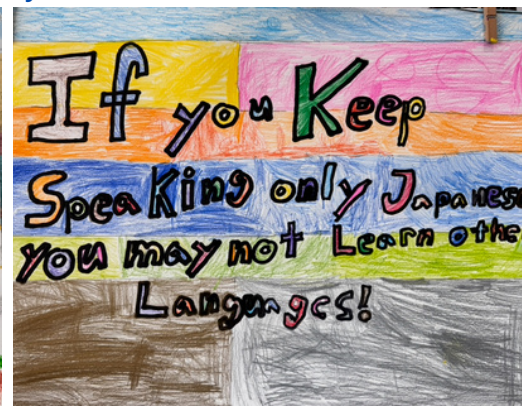

With the Bridges Math Curriculum and the Mathletics online app and workbook activities, we get to enjoy Math as a hands-on learning experience.

# VISUAL ARTS

Express yourself, whatever way you can, but make it more effective, enjoyable, and memorable through the arts!

## SPECIAL CLASS professional Dancer
