

B2 Classroom Newsletter

Dear Parents & Guardians,

Thank you so much for joining us at Alohayama!
Your support truly means everything to us, and we
couldn't have made it happen without you. We hope
you had a fantastic time and had the chance to
connect with others in our community.
Let's keep the energy alive—can't wait to see your
smiling faces again soon! Here's to making even
more unforgettable memories together.

Over the past two weeks, we've been diving
into the fascinating world of animals and
plants. B2 Class has been having a great
time discovering different animals, learning
new songs, and exploring the outdoors beyond
our school grounds. I'm really looking forward
to continuing this journey of discovery with
your wonderful children!
