CLASSROOM NEWSLETTER

DEAR
PARENTS

As we wrap up the first month of the school year, I'm happy to share that there have been many positive changes in each and every student. They are now able to answer simple questions and are showing great progress in understanding and following instructions. Students are also learning to ask for help when they need it and consistently show gratitude by saying "thank you" when someone lends a hand. During circle time, everyone participates enthusiastically and enjoys discovering new things. We're having a lot of fun as we continue growing together this year. Every day is a delight for me—each one is filled with memorable moments, thanks to the joy and energy they bring.

Thank you,
Ms. Kristil
