

A4 CLASSROOM Newsletter

Dear Parents and Guardians,

06.06.2025

I hope you are all staying cool in this heat wave!
Thank you all for all of your support and cooperation in making our first JK & SK Sports Day such a success! The students all did so well and we were all so happy to see their smiles and excitement!
The students also had a great time at the Zoo, seeing animals such as elephants, giraffes, monkeys, and many more! In between our events, the students continued to work hard in their studies, and creating bonds with their classmates!

Math

Students worked on their number recognition and comprehension in Math. We have worked on numbers 11 and 12 in particular. We also did a review of their number comprehension up to 10.

Language Arts

Students continued to work on tracing, writing, and learning the phonics sounds. In these last two weeks, we have focused on P and G in particular. Students have also worked on their understanding of the sounds each letter makes individually and recognizing the letter when it is at the beginning of a word.

Unit of Work

Students have continued to build on their understanding of different animals. We recently learned about animals such as Snakes and giraffes.

Important Dates!

- Friday, July 4th - Parent Teacher Conference
- July 7-10th - Crazy Week!!
- Friday, July 11th - End of Spring Term
- Monday, July 21st - Start of summer school
