ALOHAYAMA 2025

A7 students had an unforgettable time at ALOHAYAMA 2025! It was such a joy seeing everyone having fun, learning new dances and songs, and bonding with their classmates, parents, and teachers. The energy, laughter, and aloha spirit made it a truly special day for all of us!

IMPORTANT DATES

June 6 - Sports Day

June 17- Field Trip

June 19 - Teacher's Preparation Day

ALOHAYAMA PREPARATION

A7 students put so much effort into preparing their special number and song (Hanalei Moon and We're Back Song) for their parents. They also worked hard on their colorful pineapple crafts to proudly display in the Big Room. Their dedication and excitement truly made the event extra special.

OUR TEXTBOOKS

A7 students have been busy with Wonders Unit 2, and the theme is all about “Working Together.” We’ve been reading stories about friendship, teamwork, and helping each other. We’ve also been working on reading skills like finding the main idea, sequencing, and understanding cause and effect. I’m really proud of how much they’ve learned and how well they’ve been working together as a team.

OUR SPECIALS

One of my favorite moments each week is Fun Friday with A7. We love taking our lunch outside, enjoying the fresh air, and strumming our ukuleles together.

A7 Teacher

OUR ACADEMICS

In Math, A7 students have been working hard on addition and subtraction, as well as practicing counting odd and even numbers. We had fun measuring beans and using hands-on tools at the Bridges Corner and Centers. The students also enjoyed their counting practice on Mathletics learning through play has never been more fun.

In Social Studies and Science, A7 learned that animals are also part of the community and that they play important roles in nature. We also explored the different jobs and roles people have in a community, like doctors, firefighters, and teachers. It was a fun way to understand how everyone works together to help the community.
