

# B2

**JUNE 2025  
MS. KRISTIL**

**DEAR PARENTS & GUARDIANS,**

*Class*

**KRISTIL@HAYAMA-INTERNATIONAL.CO.JP**

Over the past weeks, we've been learning about plants and animals, and last Wednesday we had the chance to see some of them up close during our visit to Kanazawa Zoo. The students had a great time exploring the zoo and spotting animals they've become familiar with—like giraffes, koalas, kangaroos, and rhinoceroses. It was a fun-filled day shared with friends, and although it was a bit tiring, everyone truly enjoyed the experience!

We also had a fantastic time preparing special gifts for Father's Day! I hope you all loved the heartfelt presents your children worked so hard on. In addition, we explored our five senses through sensory play, which gave the kids a fun and hands-on way to learn how their senses help them understand the world. It was a week full of exciting discoveries, and we're looking forward to our next adventure!

# CLASSROOM ANNOUNCEMENT

## Themes

- Father's Day
- Five Senses
- Literacy: H, I, J
- Numeracy: Number 3

## Upcoming Theme

- Literacy: K, L
- Numeracy: recognizing number 3
- Dental Health

## Dates to remember

- June 27 → Body measurement
- July 4 → Parent-teacher Conference
- July 7-10 → Crazy week
