

B2

# Classroom Newsletter

## Dear Parents & Guardians,

As we conclude the second month of our preschool journey, we're delighted to share the wonderful progress happening in our class. Over this time, we've seen many positive changes and developments. Each child is forming meaningful friendships, growing more confident in the classroom, and becoming familiar with daily routines — often following them even without reminders.

Also, as we continue exploring the world of plants and animals, the children are learning something new each day — from the different sounds animals make to the unique habitats they live in. Everyone is showing so much curiosity and enthusiasm during our lessons! We're all especially excited for our upcoming field trip to see real zoo animals on June 18th. It's going to be a fun and memorable experience for everyone!

Ms. Kristil
