From imagination to creation! ✏️ ✨

Our students took ordinary craft materials and turned them into something truly special. Each masterpiece is one-of-a-kind—creative, cool, and full of their great ideas!

Thrilling puzzle race! 🧩

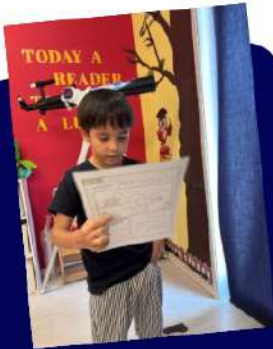

Two teams worked together, putting their critical thinking and teamwork to the test. With cooperation and quick thinking, our students solved the challenges and showed amazing team spirit!

Sight Word Detectives!

Our little readers became sight word detectives! They searched through their books, spotted the words we've been learning, wrote them down, and proudly read them aloud to the class. Amazing reading skills and confidence shining through!

Story time magic!

Our students enjoyed reading short stories, building their reading skills and discovering new adventures with every page.

Comparing and Counting!

$+$ $-$

The students explored more about greater than, less than, or equal to, and practiced more in counting by 2s with fun activities that kept everyone excited and engaged. Math skills growing stronger every day!

Dental Care with Julia! 🦷

Our students learned all about dental care from our very own junior high student, Julia! She shared great tips on keeping teeth healthy and bright. Everyone had fun learning how to take care of their smiles!

Crazy Week!

What a crazy, colorful week we've had! Each day, our kids dressed up in exciting themes—from dream jobs and fairytale characters to world travelers and outfits inspired by our very own Hayama International School. So much creativity, laughter, and school spirit all around!
