

# B2 CLASS

**JULY 2025**  
**MS. KRISTIL**

**KRISTIL@HAYAMA-INTERNATIONAL.CO.JP**

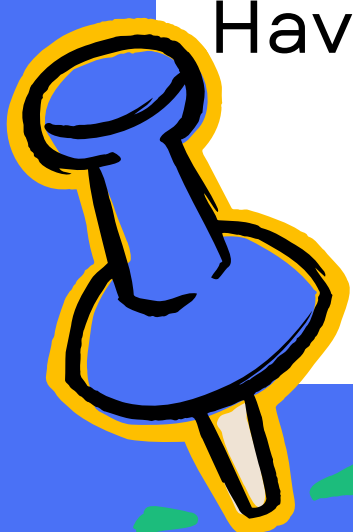

**DEAR PARENTS & GUARDIANS,**

As we wrap up our spring term, I can confidently say that our class has grown tremendously. Strong bonds have formed, confidence has blossomed, and the English language is being used more and more in class. The children are following routines, progressing with potty training, and most importantly, they've built meaningful friendships with one another.

Beyond academic learning, they've gained so much more – socially, emotionally, and personally. Their trust in me has grown significantly, and each day has brought something joyful to look forward to: their laughter, their growing connections, their developing motor skills, and their increasing independence.

I truly hope to see them again soon – hopefully in Summer Camp as well! I hope you can see just how amazing each of them is becoming. I'm so excited to welcome them back to B2 for more fun and learning together.

Have a wonderful summer holiday!

# B2 class

# CRAZY WEEK

# TIME TO TRAVEL
