WELCOME A3

A3 Stars ✨

Welcome back to school for the beginning of our second term. We are so happy to see all your bright smiles and happy faces again! This term in A3 class will be full of songs, stories, games, and exciting learning activities. Together, we will discover new things, share with our friends, and continue to grow kinder, smarter, and stronger every day. Get ready, A3, for a fun and wonderful term ahead!

First Day of School

Dear Parents and Guardians,
We sincerely thank you for your continuous support and cooperation. Your generous contributions of toiletries have been a great help in keeping our classrooms clean, safe, and comfortable for the children. We truly appreciate your partnership as we work together to provide the best care and learning environment for our little ones.

IN THIS ISSUE

- WELCOME TO A3 SECOND TERM.
- GRATITUDE TO THE PARENT AND GUARDIAN.
- SHOW AND TELL..
- CLASSROOM ACTIVITIES.
- THANK YOU!

CASSROOM ACTIVITIES

“The students looked forward to coming to school each day and happily reciting A–Z and 1–20 every morning.”

Phonics Activities

This term, our A3 student have been exploring the sounds of the letters M, A, S, D, T, I, E, H, and O through songs, chants, and engaging activities. One highlight was the “Sound and Show” game, where students matched sounds to pictures like monkey, milk, sun, and socks, acting out the sounds with excitement. The activity was filled with laughter and helped the student build confidence as they proudly demonstrated their growing phonics knowledge.

Math Activities

The students also solved number sentences such as $6+4$, $9+1$, and $8+2$. Each correct answer was followed by saying a sound or blending letters into words. The activity not only strengthened their early reading skills but also built confidence in basic math. Our young learners enjoyed discovering that learning can be playful and exciting in many ways!

Transportation

Our students enjoyed a lively activity called “Transportation”, where they learned about different means of transportation. Together, we talked about cars, buses, bicycles, trains, airplanes, and even boats! The students shared which vehicles they have seen or ridden in, and some proudly told stories about trips with their families.

Art and Craft Activities

Our students had a wonderful time during art and craft as they cut out creative shapes from the board, including a school bus, an airplane, and a car. The student were excited to see their vehicles come to life, and the activity helped them practice both creativity and fine motor skills.

IMPORANT DATES:

- Monday, September 15th: Respect-for-the-Aged day. (NO SCHOOL).
- Tuesday, September 23rd: Autumnal Equinox. (No SCHOOL).
- Friday, September 26th: Information session for elementary school for JK and SK families
