

# SEPT. NEWS @ A5

Welcome to  
the FALL Term!  
*Weaving the Future*

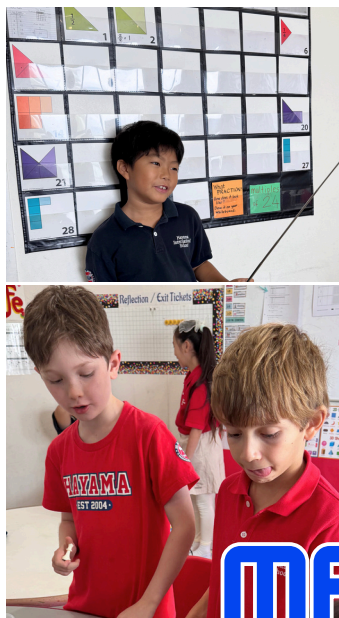

# LANGUAGE ARTS

We just started navigating the magical world of legends, fantasy, and folklore in Wonders Unit 3, while learning more about pronouns as well as story visualization, problem-resolution, and summary.

# MATHEMATICS

"PEDMAS is not scary after all!" We found out it's actually fun. Everybody seems to be getting more curious with Fractions. The 4<sup>th</sup> graders are leveling up with exercises using lots of Decimals!

# SCIENCE, SOCIAL STUDIES, & ARTS

Learning Fair preps! We're going to "Weave the Future". Through the art of weaving, we will create some sustainable crafts from recycled materials such as paper, cloth, and yarn. Watch out for our showcase on October 3<sup>rd</sup>!

# HAPPY BIRTHDAY,

# JIN & ROSSEN!

# OUTDOORS!

# The HAYAMA International School
