Welcome

We would like to welcome Kevent Jin Pierre Jr to A6. looking forward to getting to know you and learning many exciting things together.

CODING

Coding builds problem-solving, creativity, and logical thinking skills. It prepares students for future careers, enhances collaboration, improves persistence, and empowers them to turn ideas into reality using technology.

EVENTS THIS TERM

LEARNING FAIR

Our Learning Fair will showcase students' creativity, projects, and discoveries through engaging displays, performances, interactive activities, teamwork, and presentations, celebrating curiosity, effort, and the joy of learning together as a community.

HALLOWEEN PARTY

Get ready for a spooky celebration! Our school Halloween party will feature creative costumes, thrilling games, pumpkin crafts, tasty snacks, eerie decorations, music, contests, and plenty of fun surprises.

HOLIDAY PARTY

Our school holiday party will be fun, festive, and joyful, with music, games, delicious treats, creative activities, decorations, laughter, performances, and memorable moments for everyone to celebrate together.

Rainy day fun

Although we were inside due to the heavy rain, all of A6 found something engaging and fun to do with their classmates. Build strong bonds!
