Language Arts!

Our students had an exciting time exploring word families! They played musical chairs with word cards, reading the word they were holding when the music stopped, and completed a word family puzzle by matching and reading the words aloud. We also learned catchy songs about the days of the week and weather, helping everyone remember new words while singing and dancing along!

Mathematics!

Math was full of fun and learning! The children practiced counting by 2s and 3s up to 30, building their confidence in skip counting. They also learned how to identify amounts and quantities, as well as compare numbers using greater than, less than, and equal to symbols. Through games and activities, they strengthened their number sense and had a great time doing it!

Arts!

It was a spooky and creative week in Arts! Our young artists made their own Halloween lanterns using yarn, glue, and balloons. They dipped the yarn in glue, wrapped it around the balloon, and let it dry, turning it into a glowing Halloween masterpiece. Everyone loved seeing their crafts come to life!

Halloween Party!

The children had an amazing time celebrating Halloween with their friends! Dressed in their cutest and spookiest costumes, they joined fun games, shared treats, and enjoyed a festive day filled with smiles, laughter, and happy memories!

A big thank you to everyone who joined and helped make our Halloween Party such a fun and memorable event! We truly appreciate your time, energy, and wonderful spirit of teamwork.

IMPORTANT DATES & REMINDERS!

Important Dates!

- November 3rd - Culture Day - No School!
- November 13th - Field Trip (JK & SK)
- November 24th - Labor Thanksgiving Day - No School!

- As the weather is getting cooler, please make sure your child is dressed warmly and comfortably for school.
- Please ensure your child to bring their water bottle, and blue folder with temperature chart.
- To avoid lost or damaged items, we recommend limiting keychains and toys on backpacks. Thank you for your understanding.
- For your child's safety, please cut round foods like grapes, cherry tomatoes, and cheese cubes into small pieces before packing lunch.
