## A3 STARS ✨

Dear Parents and Guardians,

We are excited to welcome the beginning of the fall season in A3 classroom! The students have embraced this new season with joy, curiosity, and creativity.

This week, one of our highlights was visiting the Firefighter Station, where the children explored fire trucks, learned about the important role of firefighters, and discovered how they keep our community safe. Their excitement and curiosity made the experience truly memorable.

Back in class, we celebrated the season by decorating our Halloween paper bags with colorful and spooky designs, filling the room with laughter and fun.

We are so proud of the students as they continue to grow in knowledge, creativity, and teamwork. What a wonderful start to this fall season!

## IN THIS ISSUE

- VISIT TO YOKOSUKA CITY FIRE STATION.
- WELCOME TO FALL SEASON.
- DECORATING HALLOWEEN PAPER BAGS
- CLASSROOM ACTIVITIES.
- THANK YOU!

# CASSROOM ACTIVITIES

“The students looked forward to coming to school each day and happily reciting A–Z and 1–20 every morning.”

## Phonics Activities

This term, our A3 students also strengthened their pronunciation skills by learning the phonics sounds /c/, /u/ and /k/. Through lively songs, fun chants, and picture cards, the children explored words beginning with these sounds. For C, they practiced saying words like carrot, cap, candy, and cat, while for U we learnt Umbrella, Unicorns, and Uniform. and for K, they enjoyed Knight, Kite, Knee, King, Kitten, Kettle, and Kid. The children were eager to repeat the sounds, act them out, and connect them with real-life objects. This activity not only improved their articulation but also built their confidence in recognizing and using new sounds in everyday words.

## Math Activities

The students moved forward in learning basic addition such as  $4+6$ ,  $10+5$ , and  $5+10$ . They eagerly practiced solving problems, proudly sharing their answers with their classmates. It was wonderful to see their excitement as they discovered the joy of combining numbers in different ways. Through fun activities, hands-on materials, and group practice, the children gained more confidence in recognizing number patterns and understanding how addition helps us make sense of the world around us.

## Transportation

The students were excited to welcome the beginning of the fall season! Together, we talked about the changes we see during this time of year the cooler weather, falling leaves, and the beautiful colors of red, orange, and yellow. The children shared their own experiences of autumn, from spotting pumpkins to wearing cozy clothes. Through songs, stories, and creative art activities, they learned that fall is a time of change, beauty, and new beginnings. The excitement in their voices showed how much they are looking forward to all the fun this season will bring!

## Art and Craft Activities

The students had a wonderful time during Art and Craft as they designed their own Halloween paper bags and colorful falling leaves. With great excitement, they used paints, crayons, and paper cutouts to create fun, spooky, and festive designs. The classroom was filled with laughter and creativity as the children proudly displayed their decorated bags and leaves. This activity not only allowed them to express their imagination but also helped them celebrate the beauty of the fall season in a hands-on and joyful way.

### IMPORTANT DATES:

October 13th- Public holiday  
(No school)

October 13th- Sport day

October 17th- Teacher Preparation day

October 24th- Halloween party

October 27th- Halloween party  
(Make up Dance)

# THANK YOU!!!

The students' thank you letter to parents and guardians.

We want to say a big thank you to our wonderful parents and guardians for your love and support this week! As we welcomed the fall season, your encouragement helped make our activities even more special. From our fun visit to the Firefighter Station to our creative Halloween crafts, the students were filled with excitement and joy — and your care plays such a big part in that. Thank you for always being there to guide, cheer, and inspire us. Your kindness and involvement make every week brighter and more meaningful. We are truly grateful for all that you do to help us grow, learn, and shine! 🍁🍂🎃❤️

Thank You!!!
