A3 STARS

🎃 Hello A3 Families! 🍁

We're thrilled to share the excitement of the Halloween season in our A3 classroom! The students have been bubbling with creativity and joy as they take part in fun fall-inspired activities.

Our classroom has come alive with spooky decorations, colorful crafts, and lots of laughter. The student had an amazing time designing their own Halloween paper bags, exploring pumpkins and autumn leaves, and learning about the sights and colors that make this season so special.

This time of year reminds us of imagination, friendship, and celebration — and it's been wonderful seeing our students work together, express themselves, and enjoy every festive moment.

What a fun and memorable start to this Halloween season in A3! 🍁🌟

THIS ISSUE

- WELCOME TO HALLOWEEN SEASON.
- WOLF LEAVE CRAFT.
- HALLOWEEN PARTY.
- CLASSROOM ACTIVITIES.
- THANK YOU!

CASSROOM ACTIVITIES

“The students looked forward to coming to school each day and happily reciting A–Z and 1–20 every morning.”

Phonics Activities

This term, our A3 students also strengthened their pronunciation skills by learning the phonics sounds /r/, and /b/. Through lively songs, fun chants, and picture cards, the children explored words beginning with these sounds. For R, they practiced saying words like rainbow, road, right e.t.c. while B, they enjoyed ball, book, bench, butterfly. The children were eager to repeat the sounds, act them out, and connect them with real-life objects. This activity not only improved their articulation but also built their confidence in recognizing and using new sounds in everyday words.

Math Activities

The students learned about graphs this week! They discovered how graphs help us organize and understand information in a simple, visual way. Using colorful charts and real-life examples, they created bar graphs to show their favorite fruits, colors, and activities. The students were excited to share their work and see how numbers and pictures can tell a story. Through fun, hands-on practice, they built confidence in collecting and comparing data.

Halloween Activities

The students were thrilled to celebrate the Halloween season with lots of fun and creativity! 🎃 Together, we talked about the traditions of Halloween dressing up in costumes, carving pumpkins, and enjoying sweet treats. The students shared their favorite characters and costumes, filling the classroom with excitement and laughter. During our sessions, they designed spooky paper bags, made colorful decorations, and explored the playful side of “spooky.” Through songs, games, and storytelling, the students learned that Halloween is not just about scares it’s about imagination, friendship, and festive fun! 🕷️👻🌟

Art and Craft Activities

The students had so much fun creating “Wolf Leaf Craft” during Art and Craft! Using colorful fall leaves, clothespins, and googly eyes, they made their own cheerful leaf characters to celebrate the season. The classroom was full of laughter and creativity as they proudly showed off their adorable fall creations.

IMPORANT DATES:

November 3rd- Culture Day
(No school)

November 24th- Thanksgiving Day
(No school)

THANK YOU!!!

The students' thank you letter to parents and guardians.

We want to extend our warmest thanks to our amazing parents and guardians for all your love and support this season!

Your encouragement has made our Halloween celebrations and fall activities truly special.

The student had a fantastic time decorating their Halloween paper bags, exploring the colors of fall, and sharing the joy of this festive time together.

Your involvement from cheering them on to helping them prepare made every moment brighter and more meaningful.

We are so grateful for your continued support, care, and partnership. Because of you, our students feel inspired, confident, and ready to learn each day.

Thank you for helping us make this fall season one filled with fun, creativity, and lasting memories! 🍁❤️

Thank You!!!
