

A4 CLASSROOM Newsletter

Dear Parents and Guardians,

10.10.2025

I hope you are having a wonderfully cool day! As we welcomed the beginning of October, we were also very happy to greet the Fall weather that finally came with it! The students had a fantastic time learning all about fire safety from the Yokosuka City Fire Department, where they all learned the importance of "Stop, Drop and Roll" if there is ever a time they may get fire on their clothes. They also learned about why it is important to stay low and cover their nose and mouths in order to avoid smoke inhalation during an active fire.

Math

Students have been working on number comprehension and gaining a better understanding of basic addition.

Language Arts

Since our last newsletter, the students have worked on reviewing their tracing and phonics for letters C, K, CK. This week they also worked on writing and tracing the letter U. They also reviewed what words they can think of that starts with each specific letter.

Unit of Work

Students have been learning all about fall recently and have been making fun fall crafts.

Important Dates!

- Monday, October 13th:
Sports Day, NO SCHOOL
- Friday, October 17th:
Teacher Preparation Day, NO SCHOOL
- Friday, October 24th:
Halloween Party
