

A4 CLASSROOM Newsletter

10.31.2025

Dear Parents and Guardians,

I hope this newsletter finds you all well! Fall has finally come, and the students and I couldn't be more excited!

Thank you all for your support and attendance at the Halloween Party! The students were so happy and excited to see you there and show you their performance that they had been working so hard on!

Math

Students have been working on creating a good foundation for basic addition along with learning how to use a number line to help them.

Language Arts

Since our last newsletter, the students have worked on their phonics, and writing and tracing the letter B, R, and F. They also reviewed what words they can think of that starts with each specific letter.

Unit of Work

Students have been learning all about Halloween and Harvest recently and have been making fun crafts such as Ghost Portraits and some cute corn we have decorated our hallways with!

Important Dates!
