

# B2 CLASS NEWSLETTER

OCTOBER  
2025

Dear Parents and Guardians,

Now that we've finished learning about autumn, everyone is looking forward to seeing the beautiful fall leaves and enjoying the pleasant weather with friends and family. We also had an exciting time visiting a nearby fire station — the children were thrilled to see a fire truck up close!

As we continue into our autumn term, we're happy to see friendships blossoming and our class community growing. Each day is filled with joy as the children become more comfortable with one another. From making crafts to playing together, every day brings fun, laughter, and new memories.

Thank you,  
Ms. Kristil
