Addition and Subtraction

This week, we practiced our addition and subtraction skills through fun and interactive exercises. Students are becoming more confident with solving problems and recognizing number patterns.

Skip Counting by 5s and 10s

We explored skip counting by 5s and 10s to help strengthen number sense and prepare for future multiplication skills. The students practiced counting in patterns and enjoyed discovering how fast numbers can grow when we skip count!

Reading Practice

Students worked on simple reading comprehension using short CVC passages. This activity is a gentle and effective way to help them build early comprehension skills and gain confidence in understanding what they read.

Autumn Arts

For our seasonal art project, students created beautiful autumn trees using their handprints and fingerprints. Their hands became tree branches, and their fingertips became colorful autumn leaves. It was a creative, hands-on activity that they truly enjoyed.

Pixel-Based Arts (Autumn & Nature)

Our students had a wonderful time creating pixel-style autumn and nature artworks in the courtyard. With the cool autumn breeze around them, they joyfully colored their pixel images and even expressed how much they enjoyed this relaxing outdoor art activity.

IMPORTANT DATES & REMINDERS!

Important Dates!

- December 10th - Holiday Party
- December 13th - End of Fall Term *No School!*
- December 15th to January 5th - Winter Break - *No School!*
- January 6th - First Day of Winter Term

- As the weather is getting cooler, please make sure your child is dressed warmly and comfortably for school.
- Please ensure your child to bring their water bottle, and blue folder with temperature chart.
- To avoid lost or damaged items, we recommend limiting keychains and toys on backpacks. Thank you for your understanding.
- For your child's safety, please cut round foods like grapes, cherry tomatoes, and cheese cubes into small pieces before packing lunch.
