

# A4 CLASSROOM Newsletter

11.14.2025

Dear Parents and Guardians,

I hope you are all having a lovely fall day! The students have been having lots of fun learning about shapes and harvesting as they have made some cute crafts, such as shape scarecrows, corn, and harvest baskets.

## Language Arts

Since our last newsletter, the students have worked on their phonics, and writing and tracing the letter E and L. They also reviewed what words they can think of that starts with each specific letter.

## Math

Students have been working on learning their shapes, such as rectangles, and recognizing shapes within bigger shapes. They have also continued creating a good foundation for basic addition, along with learning how to use a number line to help them.

# Unit of Work

Students have been learning all about harvest recently in preparation for our Sweet Potato harvest field trip and have been making fun harvest crafts.

## Important Dates!

- Monday, November 24th: Labor Thanksgiving Day - Substitute Holiday, NO SCHOOL
- JK Holiday Party: Thursday, December 11th, 10:00-11:30
