NOVEMBER 2025

A7 GRADE - 2

## PHYSICAL EDUCATION 2025

A7 really enjoyed our soccer training. Everyone was active and happy to play together. The students learned some new drills and tried their best during the game. It was nice to see their teamwork and how they helped each other. We all had so much fun moving and playing outside.

We also had a friendly soccer match with Grade 1, which made it extra fun! The students were excited and cheered for each other all throughout the game.

## IMPORTANT DATES

November 24 - Labor Thanksgiving Day

December 8 - Holiday Party (G1 and G2)

## ENCHANTED HALLOWEEN 2025

A7 was very excited for our Enchanted Halloween 2025 performance. The students were happy to show their dance to their parents and classmates. Everyone had fun wearing costumes and joining the program. We also joined the quiz game and won the best gift! It was a fun and memorable day for all of us. The students went home smiling and proud of what they did that day.

# OUR CLASS

NOVEMBER 2025

A7 GRADE - 2

## PUBLIC SPEAKING

This month, A7 will share their own stories from their summer vacation. Each student will talk about where they went, what they did, and what they learned from their experience. It's a good chance for them to speak in front of their classmates and practice using clear and confident voices. Some students feel a little shy at first, but with encouragement, they start to enjoy it and express themselves more. This activity helps build their confidence, improve their communication skills, and learn how to listen and support one another. We are all excited to hear their wonderful stories.

## OUR ACADEMICS

In Language Arts, A7 is learning Wonders Unit 5 Week 1 and exploring poems and their special parts. The students read short poems and shared their thoughts about what they mean. Some even tried writing their own simple poems, which made everyone proud.

In Math, we started learning about thousands, addition, and subtraction. The students practiced solving bigger numbers and worked together in small groups. They enjoyed the activities and showed great improvement every day.

During Specialist time, A7 continued their Japanese Culture lessons. They practiced their Holiday songs, crafts, and. Everyone had fun making creative projects and sharing them with classmates. It was a wonderful month filled with learning, teamwork, and happy moments in class.
