NEWSLETTER

Dear Parents and Guardians,

As we wrap up November, we have so many wonderful moments to look back on. We all had an amazing time creating special memories together. We also learned so much about the different activities we can enjoy during this month. Now that the year is coming to a close, I'm happy to see how much everyone has grown. I'm even more excited for the weeks ahead, and we look forward to sharing our joy with all of you soon.

I'd also like to remind everyone to always bring a jacket, as the weather is getting quite cold. In case of an emergency, it's important to have one with you since we may need to stay outdoors for an extended period (as a precaution).

Thank you,
Ms. Kristil
