## **School Newsletter**

Harvest. Fruits and Vegetables.

## Language Arts:

Letters: Tt (Review: Qq, Rr, Ss)

Focus: Autumn Vocabulary and Beginning Sounds We learned about the letter Tt, finding it in words we know and in our friends' names. Our letter craft was "T is for Turkey."We matched uppercase and lowercase letters, and practiced tracing and identifying the letter Tt. We also had Show and Tell for the letter Tt and practiced identifying beginning sounds in the autumn-themed vocabulary we learned.

## Science/ Creative Arts:

Sorting fruits and vegetables. Creating pictures using prints of various fruits and vegetables. Exploring fruits and vegetables by size, color, smell, texture, and feel.

<u>Social Develpment:</u> Naming Feelings. Simply naming a feeling can help make the feeling less strong, because it engages the thinking part of the brain. This is helpful strategy for children when they are upset.

Managing Disappointment. Last week, we learned about managing disappointment. We talked about how we can feel disappointed when we don't get what we want. Belly breathing helps calm strong feelings, so we practiced belly breathing together.
