- Teacher's Working Day-Jan 5th
- School Starts-Jan 6th

# SEE YOU IN 2026

For our last newsletter of 2025, I'd like to say congratulations on your hard work, growth, resilience, and ambition this term. To everyone in our A2 team. I am so proud! I will miss you all and look forward to seeing you again in 2026. I hope everyone enjoys a good rest, good health, delicious food, the happiest holidays, and a fresh start to the new year! I look forward to hearing many stories from the A2ers when we get back.

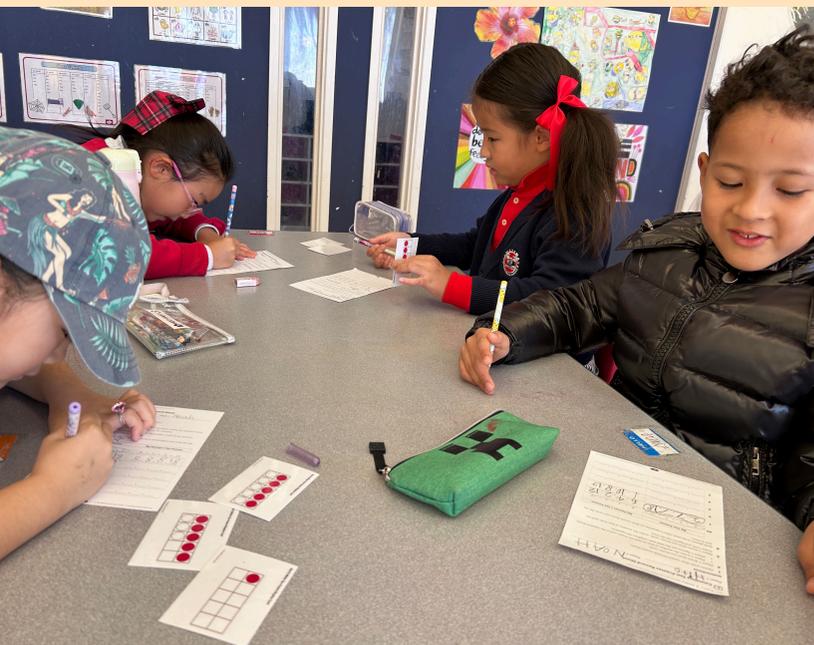

Ms.Emily

## ART

A memorable holiday gift to the ones we love. Unique, hand made and completely one of a kind.

## MATH

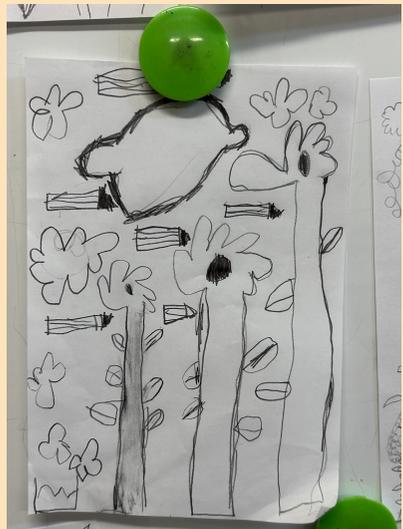

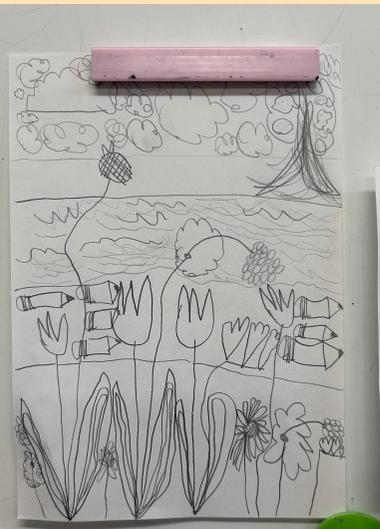

Identifying quantities in ten frames, recording them, adding them up, and comparing two totals to determine who has the larger number. Students get really competitive and quick in this math game of chance as they try to get through as many rounds as possible with one another.

## UOW

Exploring North America, and also discussing north, south, east, and west to better remember and identify continents on the map. We discussed Thanksgiving, what it means and what it celebrates, as well as the importance and traditions of powwows.

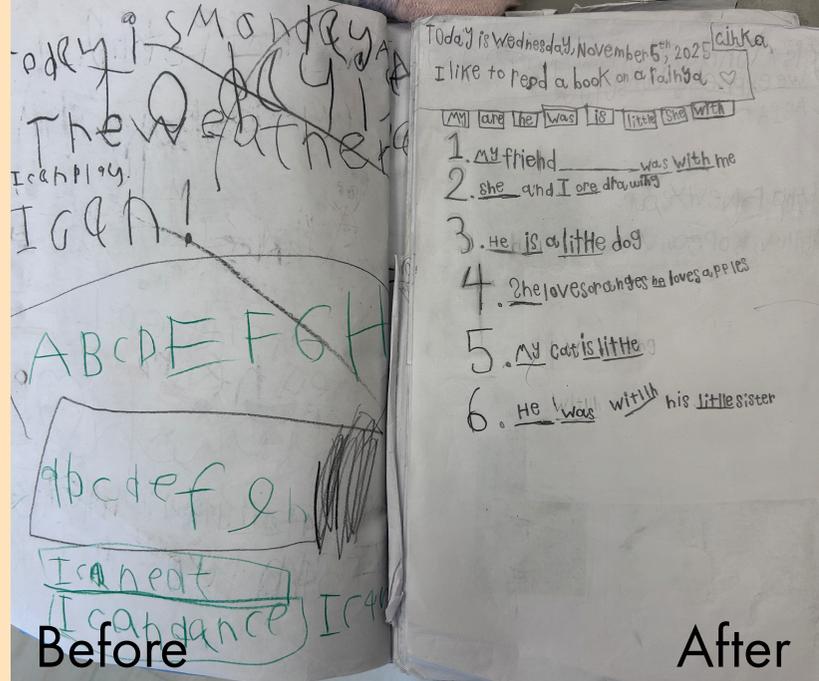

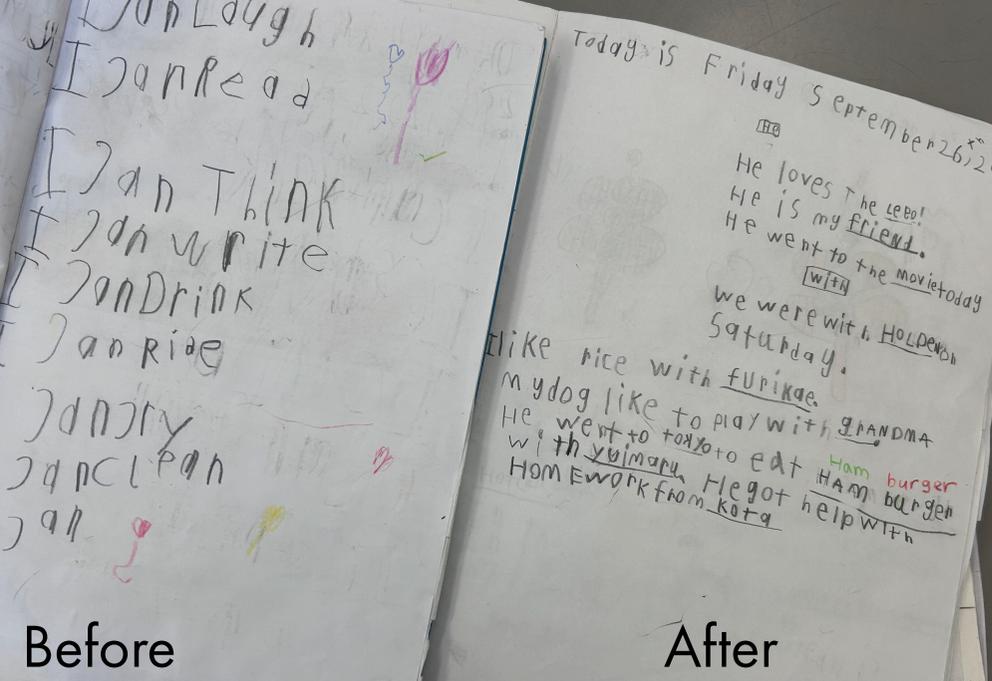

Unfortunately, I do not have photos of our discussions and activities during our UOW. Instead, here are drawings from our creativity exercise, where students are given four random items to incorporate into their artwork in any way they choose. (For example: lemon, flower, clouds, and pencil.)

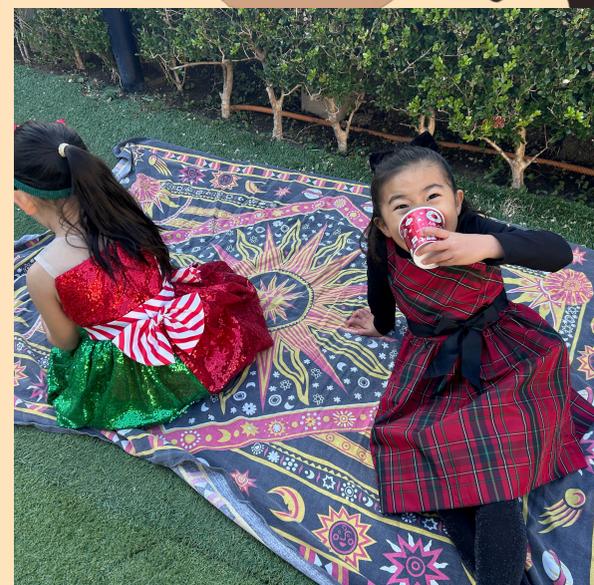

## PIZZA DAY

## REVIEWING OUR GROWTH

We took a moment to look through some of our journals from term one, comparing them side by side. The growth in organization, writing, and pencil control was surprising. We asked each other whether we even realized how much we had grown in such a short time. Of course, growth is hard to notice until it's documented. We shared smiles and pats on the back for our hard work this term.

## HOLIDAY PARTY

Students did an amazing job performing and acting! I am so glad I got to spend time with parents and enjoy the yummy food. Thank you for taking the time to contribute to the potluck and for coming to watch our holiday show.
