YEAR-END NEWSLETTER

Celebrating a Wonderful Year of Learning & Growing!

Dear Parent and Guardians,

As we wrap up this fantastic year, we want to take a moment to celebrate all the growth, laughter, and learning that has filled our classroom. Your children have worked hard, made new friends, and discovered so many new things—and we couldn't be more proud of them!

Highlights From This Year

This year our B2 Class:

- **Explored letters, numbers, shapes, and colors**
- **Grew as independent thinkers and problem-solvers**
- **Practiced kindness, sharing, and teamwork**
- **Enjoyed hands-on activities**
- **Participated in special events and classroom celebrations**
- **Made wonderful memories that we hope they'll carry with them!**

Thank you for sharing your children with us this year. We have loved watching them grow in confidence, curiosity, and creativity. It's been an honor to be part of their 2025 journey.

**Thank you and Happy Holidays,
Ms. Kristil**
