Welcome Back to School!

Welcome back, and happy winter term to our students and families! I hope everyone enjoyed a peaceful and refreshing winter break. It is wonderful to see our students return with renewed energy and enthusiasm as we begin the 3rd and final term of the school year.

This term, we will continue developing essential skills in reading, writing, and math, while deepening our learning in science, social studies, and values education. As we move into the last part of the year, our focus will be on helping students build confidence, reflect on their progress, and apply what they have learned in meaningful ways.

My aim is to maintain a positive and supportive classroom environment where every child feels encouraged to participate, explore new ideas, and do their best. Thank you to our parents and guardians for your ongoing support and cooperation. Together, let's make this final term a rewarding and memorable experience for our students.

WHAT WE HAVE THIS TERM!

In our bucket!

This winter term, we will focus on strengthening essential skills in reading, writing, and math, while continuing to explore science, social studies, and values education. Through engaging lessons and activities, students will be encouraged to think, ask questions, and apply their learning in meaningful ways.

As this is the 3rd and final term of the school year, our goal is to help students build confidence, recognize their progress, and finish the year feeling proud of what they have achieved in a supportive and positive learning environment.

IMPORTANT DATES & REMINDERS!

Important Dates!

- January 12th - Coming of Age Day - No School!
- January 22nd - Photo Shoot (Class picture & School picture - All)

- As the weather is getting cooler, please make sure your child is dressed warmly and comfortably for school.
- Please ensure your child to bring their water bottle, and blue folder with temperature chart.
- To avoid lost or damaged items, we recommend limiting keychains and toys on backpacks. Thank you for your understanding.
- For your child's safety, please cut round foods like grapes, cherry tomatoes, and cheese cubes into small pieces before packing lunch.
