HAPPY NEW YEAR AND WELCOME BACK!

I hope everyone had a wonderful and fulfilling holiday season and New Year. We are excited and ready to jump right back in where we left off! This final term will be full of growth, friendships, experiences, and so much more. As we work toward the shining finish line... our End of the Year Show! we can't wait to share everything we've been working on with you all.

GOOD LUCK ON YOUR NEW JOURNEY EASTON

A hui hou

LANGUAGE ARTS

Continuing to review phonics and sight words from last term, students will practice sentence structure and develop reading skills through song lyrics and their own writing.

MATH

Counting in tens and ones, and moving on to subtraction story problems. Students practice solving equations in their heads to contribute to our A2 economy and purchase items with our fake money.

UOW

How do people around the world express themselves? How did we celebrate the holidays and New Year, and how were those traditions similar or different from one another? We will continue to explore cultures around the world and learn to appreciate both the differences and similarities we share across the globe.

ARTS

Dancing and singing to practice for our EOTY show performances. Students are in the polishing stage, now working on learning a new song. For our visual arts, students are practicing using their creativity and limitless mind to create one of a kind unique pieces.
