Week of January 6 - 9

Teacher's Note

Dear Parents,

Happy New Year! I'm excited to begin this new year learning and growing together with your child. Thank you for your continued support.

Important Events

January 6 - First day of Winter term

January 8 - Photoshoot at 9:40 AM

January 12 - Holiday (Coming of Age Day)

January 21 - Evacuation day

January 22 - Photoshoot (Class Pic, School Pic)

Learning Focus

- Math

Exploring addition and subtraction strategies. Needs practice on basic facts to 10.

- Language Arts

This week, we will begin Unit 5, week 1. Students read stories about friends and working together. We practiced sharing ideas through speaking, reading and writing.

- Science

We will explore Unit 5, week 2, focusing on the Moon's shape, how it looks in the sky, and why it appears to change. We will observe, discuss, and share ideas through fun activities.

- Social Studies

Students will read Windshield Wipers from the Wonders Unit 5 book. Students will learn about rules, safety and how keep our community safe.

Important Reminders

- ensure that your child wears the Hayama uniform on the day of the photo shoot.

First Week

First Week of Winter Term

Our students had a wonderful start to the winter term! During the first week, they focused on settling back into routines, working collaboratively, and enjoying hands-on learning activities.

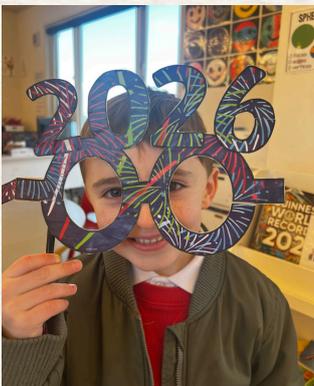

First Week

First Week of Winter Term

It was lovely to see their focus, creativity, and friendships shine as they explored new tasks and worked together with confidence. The children quickly settled back into school life, showed excellent focus, and enjoyed learning together through a variety of activities.
