

# B1 Class

## NEWSLETTER

Dear Parents and Guardians,

As we begin the final term of the school year, I am proud to share how much the B1 class has grown and improved. The bonds among the children continue to strengthen each day, and classroom routines have become a natural part of their daily lives. The topics we explored in previous terms are clearly supporting and enriching their learning.

As we begin our winter theme, although the weather is getting colder, our classroom is warmed by the strong relationships we have built together. The children are eager to share their thoughts, ideas, and experiences about winter, and their enthusiasm has been wonderful to see.

The students are truly looking forward to enjoying a joyful winter season with their families.

Thankyou,  
Ms. Kristil
