12 34 **Strengthening Subtraction Skills!**

Students continued practicing subtraction by solving “take away” problems, building greater accuracy and confidence with numbers.

Continuing Our Measurement Learning!

We continued our lesson on measurement, reinforcing concepts of weight, height, and length. Students further developed their ability to compare and describe objects using appropriate measurement vocabulary.

Reading Advanced Words Through Blending!

As we enter the final term of the school year, students are now working on reading more advanced words. They continued strengthening their decoding skills by blending individual letter sounds smoothly and accurately. This progress shows their growing confidence and readiness for the next level of reading.

💖 Valentine's Day Celebration!

Students marked Valentine's Day by taking part in a thoughtful gift exchange with one another. This meaningful activity encouraged kindness, sharing, and expressing appreciation, while helping strengthen friendships within the class.

IMPORTANT DATES & REMINDERS!

Important Dates!

- February 20th - Teacher's Preparation Day - No School!
- February 23rd - Emperor's Birthday - No School!
- February 26th - Parents-Teacher Conference

- As we continue to experience cold winter weather, please ensure your child comes to school dressed warmly and comfortably each day.
- Please ensure your child to bring their water bottle, and blue folder with temperature chart.
- To avoid lost or damaged items, we recommend limiting keychains and toys on backpacks. Thank you for your understanding.
- For your child's safety, please cut round foods like grapes, cherry tomatoes, and cheese cubes into small pieces before packing lunch.
