

# 31 Class NEWSLETTER

Over the past two weeks, we have explored different topics and learned about the meaning of Setsubun, as well as why February is known as the month of love.

Regardless of these celebrations, the children have been freely expressing their love and appreciation for their friends and teachers—especially me! 😍❤️

This Valentine's season, let us continue to spread kindness, love, and joy to everyone around us.

Thank you,  
Ms. Kristil
