

B2 NEWSLETTER

February has been a lovely month of growth and friendships for the students, focusing on sharing toys, and showing more confidence in understanding the different weather, feelings and classroom expectations.

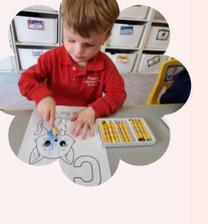

We continued to explore the letter Y for yellow, focusing on pronunciation, creative yellow crafts and fine motor activities. We also enjoyed learning letter Z for zoo, and the students colored different animals, put stickers on some animals and created a fun zoo craft by pasting different animals together.

We also celebrated Valentine's day, and it was truly a wonderful and joyful day. The students were very excited to exchange gifts with one another, and we also took a group photos and made lovely valentine bags to hold their surprises.

Thank you dear parents for your continuous support as we work together for the progress of our students.

ACTIVITIES AND PLAYTIME

Important dates

THEMES

Healthy habits.
